

Mobile Deltek Costpoint TE App Setup With SSO

1. Download the Deltek Costpoint TE app

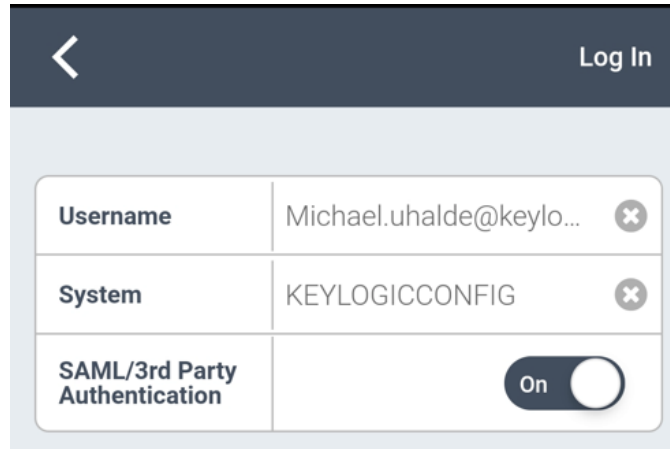

2. Enter Server URL:

<https://keylogic-cp.deltekenterprise.com/DeltekTouch/Costpoint/TE>

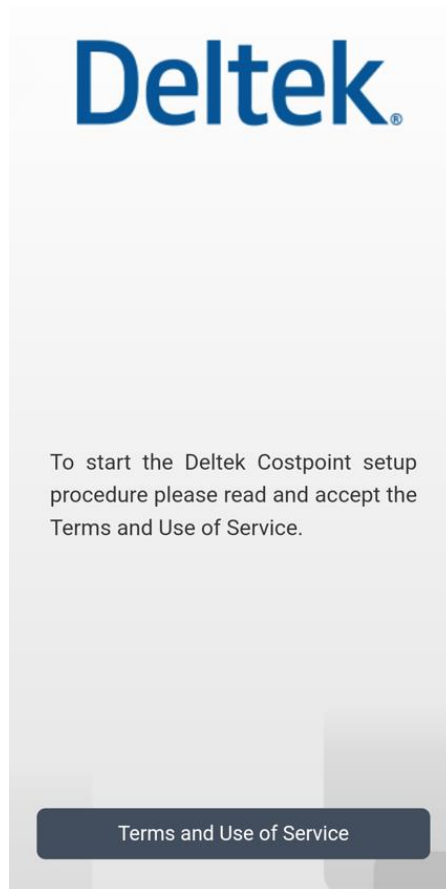

3. Check the box for SAML/3rd Party Authentication
4. Enter your email address in the username field
5. Enter KEYLOGICCONFIG in the system field

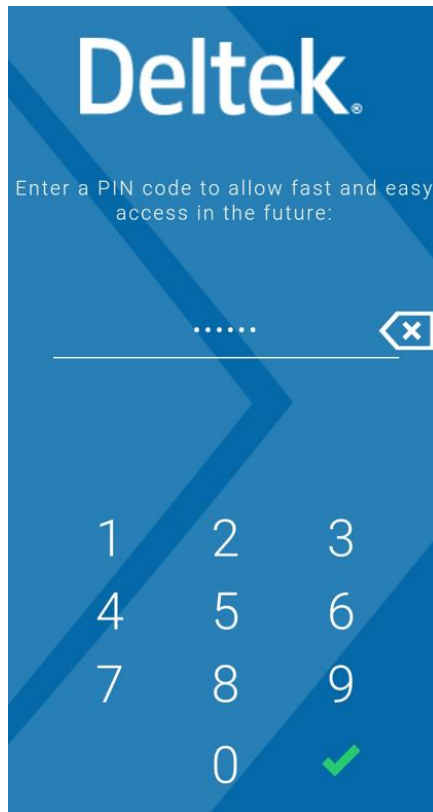

A screenshot of a mobile application's login screen. At the top, there is a dark blue header with a white back arrow on the left and the text "Log In" on the right. Below the header is a light gray form with three rows. The first row is labeled "Username" and contains the text "Michael.uhalde@keylo..." followed by a small gray circle with a white 'x' icon. The second row is labeled "System" and contains the text "KEYLOGICCONFIG" followed by a similar gray circle with a white 'x' icon. The third row is labeled "SAML/3rd Party Authentication" and features a toggle switch that is currently turned "On".

6. Select and accept the Terms and Use of Service.

7. Set a PIN code for app access.
